Education

- Front-end development course from Aptech Metro Star Gate Pakistan, 2023.
- A student at the Open University UK, studying B.S. in psychology.
- A graduate of Al Marefa Secondary Girls School, class of 2018.

Skills

computer skills:

- Build responsive websites using HTML5, CSS3, Github, Font Awesome, and Bootstrap library.
- Microsoft Office 360.
- Canva.

soft skills:

- Project management and planning skills.
- Can learn independently.
- Can work in a team.
- Competent problem-solving and analytical skills.
- Attention to detail.

languages:

- Fluent in Arabic.
- Have competent verbal and written English language skills.
- IELTS overall band: 5.5, Reading: 6, Speaking: 6, Listening: 6.5, Writing: 4. (The test was taken in November 2019).

Work History

- worked and volunteered in a preschool as a teacher's assistant, for students ages: 3 to 5 years old, from October 2018 to June 2019. This experience has developed my skills as a class manager and a team player by collaborating with other teachers.
